

---

**Sixth International Workshop in Search Games and Rendezvous  
Sponsored by CDAM and the Operational Research Department**

**Monday 26<sup>th</sup> July 2.00-6.00pm, Room V108, Tower 2**

**London School of Economics**

Organisers: Professor Steve Alpern & Dr John Howard

---

**12:30pm**      **Lunch** Senior Dining Room

**2:00-2:25pm**      **Anatole Beck\*** (Wisconsin, USA) and **Vic Baston** (Southampton)

**“Rendezvous with Minimal Information”**

**2:30-2:55pm**      **John Howard** (London School of Economics)

**“Unsolved symmetric rendezvous search problems: some old and some new”**

**3:00-3:25pm**      **Junjie Fan** or **Richard Weber** (Both Cambridge)

**“Towards the optimisation of the (discrete symmetric) rendezvous on a complete graph”**

**3:30-4:00pm**      **Tea**

**4:00-4:25pm**      **Donglei Du** (University of New Brunswick, Canada)

**“Improved bounds for the symmetric rendezvous problem on the line”**

**5.00pm**      **Steve Alpern\*** London School of Economics, **Vic Baston** (Southampton) & **Shmuel Gal** (Haifa, Israel)

**“Searching a Graph from an Arbitrary Starting Point”** (talk includes work on trees that S.Gal would have given – hence extra time)

**Workshop Dinner**

\*(times approximate)

---

If you would like to participate in the workshop lunch or dinner, or for any other questions, please contact the organisers by email at: Steve Alpern ([s.alpern@lse.ac.uk](mailto:s.alpern@lse.ac.uk)) or John Howard ([j.v.howard@lse.ac.uk](mailto:j.v.howard@lse.ac.uk))
